## Light of the World

This week we will be looking at why Jesus said "I am the light of the world".

Have you ever been in a very dark place, what was it like?

How does darkness make you feel?

How many different types of light can you name in 30 seconds ?

Read John 8:12

Darkness can make us feel scared, confused and not sure where to go.

1. How can light help us?

When it is dark light helps us to see clearly, to be able to move safely and it direct us.

2. Why do you think Jesus said He was the light of the world?

3. What is the promise to those who follow Jesus?

When Jesus talks about the darkness he was meaning that not everyone knows him and loves him. Jesus is the light of the world. His light directs us to follow Him. When you follow Jesus, you are never alone because He is always with you.

Make a night light by decorating a jam jar with permanent pens like sharpies or gluing on tissue paper and putting a battery tea light inside.

Dear God,

Thank you for the light that you have created.

Thank you that you sent Jesus to be a light to the world.

Help us to follow you knowing that we will never be alone.

Amen.
