Pentecost

This week we will be looking at what happened on Pentecost and why we celebrate it.

If you had to describe the wind what would you say?
Can you say any words in another language?
Have you ever been really surprised by something?

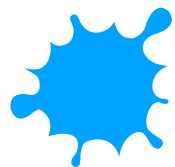

Read Acts 2:1-4 and Acts 2:38-41

1. When the believers were gathered together what sound did they hear?
2. What did the believers see?
3. Who filled each of the believers on the Day of Pentecost?
4. Who can have the gift of the Holy Spirit?

At Pentecost, the promise of Jesus was fulfilled and the Holy Spirit came. We remember these events in order to understand how we, too, can have the Holy Spirit in our lives. The Holy Spirit helps us in many ways, he comforts, teaches and helps us grow in our relationship with God.

Have a go at blow painting with orange, red and yellow paint and see if you can make it look like flames .

Holy Spirit let us see your power in our lives this week as we trust you each day. Amen.
