The fiery furnace - standing strong

This week we are learning about 3 friends who stood firm in their faith

Can you name some famous statues?
What does the word idol mean?

Read Daniel 3 or watch the video

What did the King build?

What did everyone have to do when they heard the music?

Why did Shadrach, Meshach, and Abednego refuse to bow down to the statue?

Where did the king order them be thrown in to?

How many people were seen inside the furnace?

What did the King say after the 3 men walked out of the furnace?

How can we find the courage to stand strong for God?

When we face problems and scary times - just like Shadrach, Meshach and Abednego, we can know that Jesus is with us. He promises that he will never leave us. We need to stand strong in our faith and set an example to those around us - and they will see Jesus through us.

- Play musical statues
- Recreate the story using lego

Dear God,
Give us the courage we need to take a stand for you.
Amen
