Jesus taught us to pray

Our Father in heaven,

Remember that the God who created everything loves us and wants us to know and love him.

Hallowed be your name,

Take a minute to praise God.

Your kingdom come,

Pray for God to heal the world and make things right. Pray for peace, justice, and an end to hunger and sickness.

Your will be done, on earth as in heaven.

Ask for God to help you understand what you should do and for the help to do it.

Give us today our daily bread.

Take a moment to pray for your own needs,
as well as the needs of your family, friends, and church.

Forgive us our sins as we forgive those who sin against us.

Ask God to forgive you for the ways we don't love him and other people as we should.

Ask for God's help to be more patient and forgiving towards others.

Is there someone you need God's help to forgive?

Save us from the time of trial

Ask for God's help with the things that make your life hard, things that upset you, and things that make it hard for you to do what's right.

And deliver us from evil.

Ask for God to protect you and others from evil.

For the kingdom, the power, and the glory are yours now and for ever. Amen.
