Jesus calls His Disciples

This week we are learning we are all called to follow Jesus

Have you ever been fishing or rock pooling? What different things have you caught in your net?

Read Luke 5; 1-11

What were Simon Peter, James and John doing when Jesus came to them?

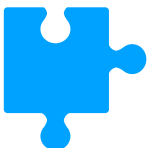

Why did Jesus want to get in their boat?

What did Jesus ask Peter to do after he was done preaching?

What do you think Jesus meant when he said they would now be fishers of men?

How can we share our faith with others?

Following Jesus means trusting Him, obeying Him and telling others about Him.

• Play the card game Go fish (you can look up the rules on the internet)

Help us to follow you and share our faith with others in our actions and our words. Amen
