

Family Devotion

Fearfully and Wonderfully made

This week we are looking at Psalm 139

Describe yourself: what you look like, what you are good at, favourite food, favourite things to do.

Share with your family

What things are similar and what are different?

Read Psalm 139 1-18 and watch the video.

Have you ever thought about what an amazing creation a human being is? There are so many parts to our bodies, and they usually all work together just the way they are designed to work.

- What words does the psalm use to describe how you are made?
- When God created you, did He create you quickly or carefully?

God sees you and knows you, he knows what you are thinking and feeling. He knows the good stuff about us and the bad, he knows us completely. God took time before each of us were created to plan out how we would look, our personalities, every tiny detail about us. God created us exactly the way he wanted us to be. We are all unique and different.

Make snowflakes -

You will need a circle of paper. Fold it in half and in half again.

Use scissors to cut patterns. Open the circles out. Each snowflake is beautiful and unique. No two are the same. Write on your snowflake Psalm 139:14

Thankyou that we are all wonderfully made and we are all different and unique. Amen
