Jesus and the little children

This week we are discovering how important we all are to Jesus

If you had to choose someone important who would you say and why?

Read Mark 10:13-16 and /or watch the video.

When Jesus was alive, people did not always think kids were very important! A lot of times children were ignored.

What did the disciples do when the parents brought their children to Jesus?

When Jesus saw the disciples keeping the children away, what did he say?

Even the disciples of Jesus wondered why He was spending so much time on little children. But Jesus explained that He welcomed and loved kids. He also said that people should "receive the kingdom of God like a little child...

What does that mean?

Jesus wants people of ALL ages to come to him and trust Him, and He thinks kids are great!
