Jesus is Alive

This week we are discovering about Jesus death and resurrection.

Can you name 3 things you know about the Easter story?

Read Mark 15-16 and /or watch the video.

Jesus had been teaching, healing and doing many miracles but during this time the religious leaders wanted to find a way to kill him as they saw Him as a threat to their own power. So they plotted to have Jesus arrested.

1. Had Jesus done anything wrong?
2. What was rolled in front of the tomb?
3. What did the angel say to the women? How do you think the women felt?
4. What amazing thing had happened?
5. Who did the women go and tell? Do you think they believed them?

Jesus' disciples had seen Jesus die and been buried. They knew something amazing had happened when they saw him stand before them in the same body, alive again. The disciples lives were changed forever.

God sent His own Son Jesus to be our rescuer. Jesus died on the cross and His great love for you and me made Him willing to give up everything to rescue us from sin so we can be forgiven.
